Re: **United States v. Miguel Quinones,**  
**18 Cr. 472 (KPF)**

Dear Judge Failla:

Mr. Quinones is currently scheduled to appear before you on September 30, 2021, for sentencing. This is a request for an adjournment of 30 days. This is counsel's second request for an adjournment and the Government consents to this adjournment. The reason for the request is as follows: the Government and Counsel require additional time to prepare relevant materials that will be presented to the Court for consideration at sentencing.

I have consulted with Mr. Quinones regarding this application and he believes that his interests are best served if we have additional time to prepare for sentencing. Neither party will be prejudiced by an adjournment. Mr. Quinones faces a ten-year mandatory minimum. Please feel free to have your Chambers contact me if you have any questions.

Respectfully Submitted
